DISASTER RELIEF UPDATE

You Can Help.

Faith

"In him (Christ) and through faith in him we may approach God with freedom and confidence." (Eph. 3:12)

One week has passed and countless Haitians are suffering from lack of food and water. Thousands of wounded need medical care. Hundreds of thousands are living in makeshift shelters on hillsides. Ephesians assures us that we, the people of faith, can bring our petitions to God with confidence that He hears us. Pray today for the people of Haiti who are enduring unimaginable suffering.

Hope

"You will be secure, because there is hope; you will look about you and take your rest in safety." (Job 11:18)

Hope in Crisis. Southern Baptist trained Disaster Relief team members are in Haiti today, delivering needed supplies, caring for the injured, and preparing the infrastructure to bring more people and resources to the aid of the Haitian people.

Love

"Because of the Lord's great love we are not consumed, for his compassions never fail." (Lam. 3:22)

Many of God's people are pouring out their love. As they grieve for family, friends and a country in chaos Haitian Southern Baptist church members in the US are not "consumed." They are raising money, holding prayer vigils, and getting trained in Disaster Relief so that they can return to their home and help their countrymen.

You can give to help Southern Baptist relief efforts by using the envelopes in the pew and marking them: "HAITI."
