

Did you Know?

on the first Monday of each month , a group of our First Baptist Ladies visit the Eastside Manor Home and provide music and a time of fellowship with all the residents. This has been an ongoing ministry for several years. They invite you to join them in bringing a smile to some very precious people who are often forgotten and lonely. The blessing will be yours!

See Bettye Elkins, or call the church office for more information about being a part of WMU.
