

WORDS FROM  
*Pastor Randy*

---

One of the most important events of the entire year is coming in just a few days. It is also one of the most exciting weeks of the year. Vacation Bible School is planned for July 12-16. This year's program looks to be one of the best ever!

This year's theme is "Hero Headquarters." Together, we'll be discovering 5 unnamed heroes who were not super or powerful, yet their small acts were used by God to do wonderful things. I'm looking forward to seeing hundreds of children attend this exciting week of fun and learning.

You can help spread the word about this important ministry event. Please tell your neighbors and friends so they can come to hear the good news about Jesus. I encourage you to invite the unchurched people around you to attend. God wants to use you to welcome others to come and hear His message of salvation. The people you invite may be changed forever!

Also, don't forget to pray for the leaders and students throughout this important week. VBS requires much planning and physical strength. The dedicated people who are serving this year need your prayers and encouragement to help make this effort a success.

VBS is not just another event. It is one of the most effective means of impacting our community that we will do all year. Over the years, a good week of Bible School has been the closest thing that I've ever seen to experiencing a genuine church-wide revival! Let's pray and work to make this year the best ever!

Praise God for the wonderful Sundays He's blessed us with this past month! His presence has been unmistakably noticeable. We're thankful for the newest additions to our Saks Family. We know that they will be a blessing to us, and we trust that we will be a blessing to them. I get excited when people walk down the aisles to publicly profess Jesus and become a member of First Saks! I know that so many of you have been praying to see the Lord work among us. Don't stop praying. Good days are still ahead for God's people. Let's be sure to thank Him for all of His blessings. Tell the good news . . . satisfied customers have always been our greatest advertisement!

See YOU there!
