

By the time you receive this newsletter we will be well on our way to the Great Smoky Mountains. This is a trip I have been anticipating for some time now. What a great group of young people that will be joining us on this trip! It will also be the largest group. All together we have forty eight people going. What a blessing! But with more people comes more needs. For some of these teens 2009 has been a tough year. Some have lost loved ones; others have been through situations at home or school. I know God is able and willing to meet whatever need these young people have in their life, Whether it's comforting, encouragement, or maybe just to be accepted.

Listed below are the names of all the people that will be joining us on the trip. I ask that as you have your quiet time and prayer to call them by name, and ask God to supply any need they may have in their life. Don't forget to mention a word for the teachers as they share what God has laid on their hearts.
