A note from the pastor

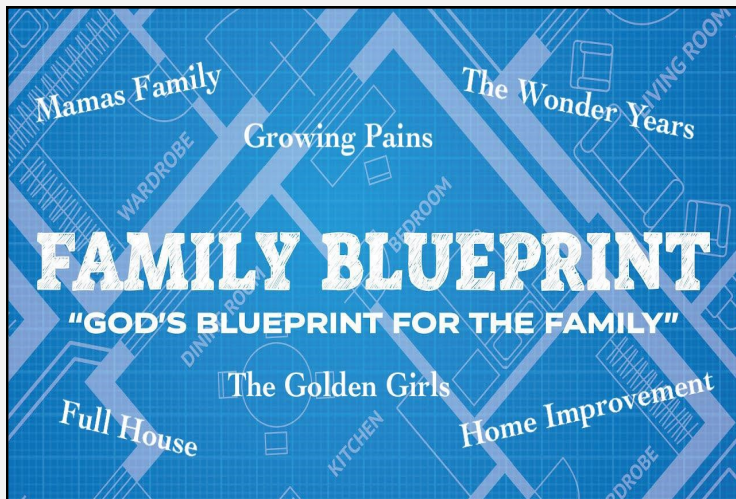

Well, we are already in May and It's hard to believe that these months have passed by so quickly and we have already seen over 20 baptisms, Praise God. I am excited to announce that we will be meeting soon about a vision mission trip to Iquitos, Peru in which we will work with Pastor Alvaro. There is a great work going on there with families/children and also a great effort in reaching tribes up and down the Amazon River. Right now the tentative dates are September 12-19 and the estimated cost for trip will be around \$2300 per person, so please begin to pray for the team who will represent FBCSAKS.

I am excited about our church wide picnic that will be taking place right after worship on May 5th, so plan on some great Food and Fellowship. Also in May we are having baby dedication on Mothers Day, I love this day and the purpose of what this day causes us as a church to commit too. We are to Disciple parents and children alike for the purpose of kingdom growth.

Also in May we are beginning a New Family Series entitled "Family Blueprint", (God's Blueprint for the Family). We will take a look at scripture and use some of the popular 80's family shows to help us find God's blueprint for Family. Family is God's plan and has been since the beginning of time as we know it. We may even have big hair Sunday just to get everyone back in the 80's, JUST KIDDING.

I pray that God continues to lead us and that He continues to Give the Increase, GOD BLESS.

Pastor Joey

**From Chris Reaves and Randy White,
 Interim Choir and Worship Directors**

Orchestra: Wednesdays 6:00 PM
 Orchestra Rehearsal Room
Choir: Wednesdays 7:30 PM
 meeting in the
 Upstairs Choir Room

It's great to be in our newly renovated sanctuary. We have so much more room on the stage. I've really enjoyed the past few months serving as Interim Choir Director with Brother Chris Reaves (Worship Leader) and Stephen Reeves (Orchestra Coordinator). There is so much that goes on behind the scenes to make our Wednesday and Sunday Worship experiences successful. Every member of the Choir, Praise Team, Orchestra, Sound, and Media Teams put in numerous hours to ensure the Lord is glorified by our Worship through singing and the Word of God.

We are very thankful for 3 new additions to the choir last month. There is still plenty of room. If you would like to sing, we would love to have you in the choir. Practice starts at 7:30 and we will try and have you out of there by 8:00-8:10 so the Praise Team can practice. Choir Practice is located upstairs. Take the stairs by the Library to the next floor and go across the hall to the Choir & Orchestra practice room.

*In Christ,
 Randy White & Chris Reaves*
